Dear Brothers and Sisters in Christ,

Our diocese will soon take up the national collection for the Catholic Campaign for Human Development (CCHD). Your support for this collection brings change to communities across the country and empowers those living in poverty to transform the places where they live into reflections of the Kingdom of God. In addition to making an impact nationally, those living in poverty in our own diocese are empowered through the 25% share of our collection that stays here.

Pregnant women and struggling families with young children require assistance with their material and spiritual needs, regardless of their background. For low-income Hispanic women, this is especially true, because linguistic and cultural differences pose unique challenges for pregnancy volunteers and pastoral ministers.

In the Dioceses of Yakima and Spokane in central and eastern Washington, for example, your generosity to the Catholic Campaign for Human Development helps a group called PREPARES en español to minister to large and vibrant Hispanic communities. By training Spanish-speaking and bilingual volunteers and coordinators, and through developing Spanish-language materials, PREPARES en español offers support groups, family companions, and parent/child learning and play groups that not only assist vulnerable families, but do so in a context of respect for the unique cultural needs of Hispanic families. With your contributions, Spanish-speaking families are strengthened and nourished at the parish level in these dioceses.

Your support for this collection makes a difference for pregnant women and families living in poverty across the United States. Please prayerfully consider how you are able to help CCHD this year.

Thank you for joining us to work on the margins.

Sincerely yours in Christ,

Most Reverend Thomas G. Wenski
Archbishop of Miami
